i love new yoki 我愛花瓶

The new Yoki line by Tsunami Glassworks is named after the Japanese word for "vessel". Ranging from wide, low vases for single blooms to upright, stylish cylinders for bouquets, each of the collection's 11 vases epitomises the good taste and creativity for which the company is renowned. Many of their names are related to fish or sushi, like this teardrop-shaped vase. Its name is Toro, which means "tuna" – one of the most popular kinds of fish in Japanese cuisine. www.tsunamiglassworks.com

Tsunami Glassworks全新的Yoki系列是以日文中解作「容器」的字而命名。系列共有11款花瓶，由適合放單一種花卉的闊矮款式，到適合擺放整束花藝的時尚圓柱形也齊備，體現了公司聞名的品味和創意。各款花瓶的名字也跟魚或壽司有關，例如這個水滴形的是「Toro」——日本魚類菜式中最著名的吞拿魚。www.tsunamiglassworks.com
